Dear Mr. Beckman,

On behalf of all the Members of the Hampton Roads Council of Veterans Organizations (HRCVO), I want to express our sincere appreciation and gratitude to you, Megan Hogge, and the employee who delivered the food last night for our monthly meeting. The dinner selection was extremely delicious, very filling, and more than plentiful. We could not have asked for anything better. Everyone partook of the feast and enjoyed a great meal thanks to you and Mission BBQ. We had a full house for the meeting because of your generous donation.

Please pass along my appreciation to everyone at Mission BBQ. Your company's dedication to the military and veterans groups is noteworthy and distinguishes you as one of the best. All of us here at the HRCVO know what Mission BBQ stands for and truly appreciate your devotion to patriotism and country. It doesn't get any better. Thanks.

Sincerely,

Dan Doyle  
HRCVO President
