Dear Mr. Doyle,

Thank you for your assistance in making Old Dominion Honor Flight Mission 7 on Saturday, October 19th a success! Your participation in our send off and our return home from American Legion Post 25 was integral in setting the tone of honor and respect for our day.

Our veterans were honored that you were part of their day, and we cannot thank you enough for your participation in our sendoff ceremony and the welcome home crew. Your enthusiasm and reverence to our mission is greatly appreciated.

Our veterans, guardians, and staff offer a heartfelt Thank You for taking time out of your day to pay your respects to our honored guests and support our mission. We look forward to working with you again on future missions.

Sincerely,

April Maletz
and the Old Dominion Honor Flight Staff
